Reproduction Permission

September 19, 2016

Re: Reproduction Permission

Dear Journalist,

Thank you for your recent request for image(s) from the J. Paul Getty Trust and its operating programs (collectively "Getty").

This is a one-time permission for use of the image(s) for the article in your publication and/or for the article/listing on your Web site for a period of up to one year, and for these purposes only. Any further usage will require an additional permission. Image(s) are to be used in their entirety and are not to be cropped, altered or manipulated in any way.

All image(s) are either the property of the Getty or are licensed to the Getty for the uses set forth herein. All copyright and collection credits must appear on the same or facing page(s) as the image(s). If noted, identified photographer(s) must be credited. Please refer to the next page(s) for proper notation of image caption(s) and credit(s). Images prepared for web use should use 72dpi resolution.

Please let us know if you have any questions or need additional materials. We would appreciate one copy of the publication or article and/or notification of the URL address in which the image(s) appear for our files.

Once again, thank you for your interest in the Getty.

Sincerely,

Ali Sivak
